"Years of bright cooking magic"

"I know there are years and years of bright cooking magic in my Revere Ware sauce pan. My food tastes so much better, and with 'waterless cooking' we're all getting more of the natural vitamins and minerals for better health. It heats up so evenly and quickly, and the simplest of care keeps it clean. I know now I'll never be satisfied until I have a complete set of Revere Ware."

MRS. KIRKLAND B. ALEXANDER, JR.
Indiana

NOW you can have both the cooking magic of copper and the enduring, silver-like luster of stainless steel—in kitchen utensils so beautiful they take your breath away. Revere Copper-Clad Ware is unlike anything else you have ever seen or used. There are skillets, sauce pots and pans, kettles, double boilers, and many more—every utensil you wish for, all made for long years of service. See these "Kitchen Jewels" at your department or hardware store today.

FREE BOOKLET — "Revere's Guide to Better Cooking" with special "waterless cooking" guide — sent on request.
