

Give her Diamonds or Revere Ware!

They're both a girl's best friend. Both look beautiful. Both last for ages without chipping or breaking. But can a diamond cook? Not like Revere Ware! Note the copper bottom on the stainless steel. Heat spreads evenly, eagerly . . . food flavors are flattered. And Revere Ware cleans with a smile, too. There's a jewel of a Revere Ware utensil for every cooking purpose . . . priced to make any gift budget sparkle. At better stores. Revere Copper and Brass Incorporated, Rome Manufacturing Company Division — Rome, New York.

REVERE WARE . . . the world's finest cooking utensils
