

REVERE WARE

COOKWARE AS MODERN AS THE MEAL YOU COOK TOMORROW

Flavors blend faster...sauces simmer gently...meats and vegetables cook to perfection...in the cookware that's designed to prepare today's recipes...fashioned to fit modern cooking appliances. Revere Ware eliminates "hot spots"...the even heat distribution lets you cook on a lower flame, preserve every ounce

of flavor. Snug fitting covers keep the flavor in, until you're ready to enjoy it. And every Revere Ware utensil has cool Bakelite knobs and handles. It's the ultimate in cooking convenience for you... makes a wonderful gift for everyone to give or receive. Your favorite store has Revere Ware... the World's Finest Cookware.
