

Look to Revere Ware for the finest in cookware

The better the cookware, the easier the cooking. Revere Ware proves it. 1- Famous Revere Ware copper-clad stainless steel with copper bottoms for even heat. 2- Tea kettles, more sizes, more shapes than anybody. 3- New stainless steel Tri-Ply, with vapor-seal construction for waterless cooking.

4- Paul Revere Limited Edition; solid copper bonded to stainless steel inside, solid brass trim and handles.
