Put a Great American Tradition in your kitchen for less than \$40*

The very name tells you here is tomorrow's cookware.

From Revere Ware, the kitchen tradition setters. In smart stainless steel styling. Contempora from Revere Ware. Shimmering in traditional Revere Ware beauty.

So practical. So long lasting. With a heat diffusing core for even cooking. A double armor of stainless steel, inside and out. Snug fitting covers, too. Retain moisture, seal in food flavor. Plus non-slip, finger grip handles with generous handle rings for easy hanging by the kitchen showoff. It's dreamware at a dreamy price. Contempora is affordable right now.

Tradition in tea kettles, too.

We started pleasing tea fanciers over 40,000,000 tea kettles ago. Nobody makes more shapes, sizes, styles. Stainless steel with fast heating copper bottoms, solid stainless, copper, or brass and

decorated aluminum. With or without whistles. Revere Ware has tea kettles to please every fancy.
